## **RESOLUTION NO. 2025-03 TOWN OF TAINTER, WISCONSIN**

**WHEREAS**, Homeland Security Directive (HSPD)-5 establishes the National Incident Management System (NIMS) which would provide a consistent nationwide approach for Federal, State, local, and tribal governments to work together more effectively and efficiently to prevent, prepare for, and recover from domestic incidents, regardless of cause size or complexity; and

**WHEREAS**, the Governor of the State of Wisconsin in Executive Order No. 81 directed that state agencies adopt NIMS as the State standard for incident management and recommended that local governments adopt NIMS as their standard for incident management; and

**WHEREAS**, the adoption and incorporation of the NIMS is an eligibility requirement for future Federal Homeland Security grants to county and local governments; and

**WHEREAS**, the Town Board of Tainter believes it is in the best interest of the Town of Tainter that the National Incident Management System (NIMS) be adopted; and

**WHEREAS**, the NIMS provides for interoperability and compatibility among Federal, State, and local capabilities and includes a core set of concepts, principles, terminology and technology covering the incident command system, unified command, training, management of resources and reporting; and

**WHEREAS**, the Incident Command system components of NIMS are already an integral part of various incident management activities throughout Town of Tainter including current emergency management training programs.
